

I call out to the Universe: **HERE I AM.**

I am ready. **I have something**

COME special for you.

AND

I will meet you halfway,
prepared. What is the most
important thing I bring?

GET IT. Love. Loving Curiosity.

Attention. Attenttion. **CARING.**

I will draw you out but I won't
just leave you there, dangling.

I will bring you just to the Edge of Chaos,

where **MAGIC** happens, where

new things are born, and

I WILL HOLD THE SPACE FOR YOU.

I am your **CURIOSITY GUIDE.**
